About the new Food Pantry satellite location at Broadway:

The Housing Corporation of Arlington recently purchased the former Broadway Diner site located at 117 Broadway. The eventual plan for the property is to demolish the building and develop a mixed-use building with commercial tenants on the ground floor and residential tenants on the upper floors. Until the final plan can be implemented, the Food Pantry will open a satellite location in the space for the next few years. Once the site is redeveloped, the Food Pantry will relocate the entire operation to the new site. The effort to locate a satellite Food Pantry in the 117 Broadway location was spearheaded by the local religious organizations in town led by the Calvary Church. The Food Pantry will continue to operate the primary Food Pantry site located at 21 Marathon Street and the new location will be a temporary satellite space focusing on providing mostly fresh and frozen food items to residents in need. Each month, the Food Pantry serves about 500 Arlington residents in need. We appreciate your past support and hope you can join us on November 19th as we celebrate this new community initiative to support those in need.
